1 Introduction

1.1 Background
1.1.1 Bracknell Forest Borough Council (BFBC or the Council) is located in central Berkshire, and was designated a New Town in 1949 but became a Unitary authority in April 1998. The Council’s services are divided between four directorates, Corporate Services, Adult Social Care, Health & Housing, Environment, Culture & Communities and Children, Young People & Learning.

1.1.2 This contract is being advertised on behalf of the Adult Social Care Health & Housing department.

1.2 Outline Requirement
1.2.1 The Welfare and Housing Service commissions housing related support for vulnerable people who are threatened with or at risk of becoming homeless. In addition, it also enables vulnerable people who need help to maintain their tenancy and live independently in the community.

1.2.2 This service will be for 18 to 25 year olds in the borough with eligible support needs, at risk of homelessness, and/or Care Leavers.

1.2.3 The service will offer the following housing related support activities:
   • Help with maintaining a tenancy and accommodation
   • Help establishing personal safety and security with regard to the accommodation
   • Support to prevent and or resolve housing debts or other debts that impinge on ability to pay for housing and or move into more suitable accommodation
   • Help with budgeting/debt advice
   • Monitoring of health and well-being for the purposes of signposting and or alerting other services to ensure that accommodation is maintained
   • Care leavers who are suitable for this project are, by definition, a group with additional support needs due to their care experience. This service will provide on site support which will be available to this group (approx. 12 young people) 7 days per week. In addition to all the bulleted points above, the support service for care leavers will provide:
     • Close liaison with Bracknell Forest leaving care service to support the delivery of each care leaver’s individual pathway plan
     • Day to day management of behavioural issues, which may be challenging, anti social and/or chaotic and are likely to place the young person at increased risk of tenancy breakdown
     • Support with self- care/neglect
     • Awareness of vulnerability issues regarding substance misuse, exploitation, involvement in crime and help the young person make safe and informed decisions
     • Efficient reporting of any of the above concerns to the young person’s personal advisor in the leaving care service

1.2.4 The contract duration will be for a maximum of 5 years, covering an initial period of 4 years plus 1 optional extension.

2.2.4 Prior to the date for return of tenders, the Council may clarify, amend or add to the documentation. A copy of each such instruction will be issued by the Council to every contractor and shall form part of the tender documentation. By e-mail to [Tenders@Bracknell-Forest.gov.uk](mailto:Tenders@Bracknell-Forest.gov.uk) ; ensure that you include “Accommodation Based Housing Related Support Service” in the subject of the email.

2.4 Tender Response

2.4.1 Please submit your tender by email to Tenders@Bracknell-Forest.gov.uk. Emails larger than 30Mb will be held by ICT pending manual release and emails above 50Mb will be rejected. For this reason, we recommended that you split into separate emails below 30Mb, clearly marked as 1 of 3, 2 of 3, etc., in the subject. Most business file types are acceptable; however any file containing code, password protection or seemingly inappropriate images will be automatically rejected. We are unable to accept tenders on USB stick.

2.4.2 Your tender must be divided into two sections and contain the information called for in each section below:

The **technical** section must include:

- Entry Level Questions (Schedule 1)
- Organisation Information (Schedule 2)
- Method Statement (Schedule 3)
  - Specification (Section 1)
  - Pricing (Section 2)
  - Terms and Conditions (Section 3)
- Tender Checklist (Schedule 5) must be completed and comments added if required.
- Additionally, three Reference Request Forms (Schedule 4) must be returned directly to the Council by the referees.

**No pricing should be included in the technical section.**

The **commercial** section must include:-

- Firm prices in sterling for the Goods/Services must be entered on the Pricing Schedule (Schedule 6)
- The completed Schedule of Reserved Information - see guidance attached at Appendix E (Schedule 7)
- The Form of Tender statement (Schedule 8) completed, signed and dated.
2.4.3 You should complete your responses (in blue) into the Schedules and this document. Alternatively, you may submit a separate document providing the tender cross references the section and paragraph numbers of this invitation to tender.

**All sections must be responded to even if simply “Understood” or “Agreed”.

2.4.4 The Council has indicated a maximum number of words against some questions. The number indicated includes words in any charts, appendices and diagrams which are incorporated into the tenderer's response unless otherwise clearly indicated. In the event that the number of words is exceeded, the Council will only consider the first part of the tenderer’s response up to the maximum allowed.

2.4.5 Where any external reference material, such as brochures, specifications and system descriptions, is used to support your tender, any statements within the reference material which may allow change to obligations or reduce liability, such as "specifications subject to change without notice", or other disclaimers will be regarded as void and shall not form part of the contract in the event that the tender is accepted.

2.4.6 Where a particular section of the tender response relates to information given in another section or in external reference material, then you must ensure that the response is clearly cross-referenced.

2.4.7 All pricing should be stated exclusive of VAT.

2.4.8 Tenders shall remain open for an initial acceptance for a minimum of 120 calendar days, although the Council may ask you to extend the period of validity.

2.5 **Tender Decline**

If you decide not to respond to this ITT, please let the contact in Section 2.2.5 know in writing as soon as possible, giving a brief reason(s).

2.6 **Evaluation of Tenders**

2.6.1 The Council may seek confirmation that suppliers meet the Council’s minimum levels of economic and financial standing or technical or professional ability, originally stated in the contract notice/advertisement, at any time.

2.6.2 Suppliers must pass the Entry Level Questions in Schedule 1.

2.6.3 Suppliers must be financially sound. We use an external credit reference agency and, in addition, may seek copies of accounts and annual reports for larger contracts. We expect suppliers to have been trading long enough to have published accounts and developed a client base.

2.6.4 The contract will be awarded on the basis of the most economically advantageous offer having regard to:

2.6.5 The **Total Cost** of the goods, services or works, 60% of the total score

2.6.6 The **Quality** of the solution in terms of functionality and infrastructure 40% of the total score takes into account issues such as; quality, technical merit, aesthetic and functional characteristics, environmental characteristics, commencement date and implementation.
2.6.7 The **Total Cost** score is out of 100 marks and will be awarded based on a mathematical formula taking into account the overall weighting allocated to this particular section. In this instance, it is calculated by taking the lowest Total Cost divided by the next lowest Total Cost and multiplied by 100. As a result, the lowest Total Cost (subject to the provisions of regulation 69 of the Public Contracts Regulations 2015) will be awarded a score of 100 for price alone, with tenderers thereafter being allocated a relative score. This will be combined with quality, to give an overall score for each tenderer.

2.6.8 The Council’s evaluation will include clarification interviews. Evaluation of these elements will be used to review the initial scoring based on further understanding gained.

2.6.9 This procurement process is being completed under the “Light Touch Regime”, governing “Social and Other Specific Services” detailed in the Public Contracts Regulations 2015. The Council will evaluate the tenders in three stages:

1. An initial desk review based on Schedules 1, 2, 4, 7 and 8 and financial standing. In addition, the Council may contact the referees. We expect providers to self-exclude if they cannot meet or exceed the capabilities required.

2. Those tenderers who pass stage (1) will then be fully evaluated by the team based on the remainder of the documentation submitted.

3. Up to three tenderers, based on overall rank, will then be invited to provide a presentation.

The Council reserves the right to review the services in order to ensure affordability.

2.6.10 The headline **Quality** evaluation criteria are as follows:-

2.6.13 You may be required to answer any Council queries on your proposal and to attend formal meetings with the Council during the tender evaluation period. Additionally the Council may wish to visit tenderers’ premises to view the facilities and systems that may be used to deliver the service.

2.7 Alternative Offers

2.7.1 Alternative offers will not be considered.

2.8 Canvassing

Any contractor who directly or indirectly canvasses any member or official of the Council concerning the award of the contract for the provision of the Goods/Services, or who directly or indirectly obtains or attempts to obtain information from any such member or official concerning any other tender for the Goods/Service will be disqualified. If discovery occurs after the award of the contract, the Council shall then be entitled to summarily terminate the contract.

GUIDANCE TO TENDERERS ON FREEDOM OF INFORMATION ACT 2000: ACCESS TO INFORMATION ABOUT OR ARISING UNDER CONTRACTS

1 Introduction

1.1 All information relating to any tender made to the Council or any contract to which the Council is party, including information arising under the contract or about its performance, will be covered by the Freedom of Information Act 2000 (the Act) from January 2005. The Council will be under a legal obligation to disclose such information if requested unless an exemption applies. The legal obligations to respond to a request for information falls on the Council. The Council must determine whether an exemption applies to information and whether the request should be refused. The Council may also be subject to disclosure obligations under other legislation or codes of practice. This Guidance sets out the approach of the Council to the disclosure of information about contracts.

2 General rules on disclosure

2.1 The Council has determined that, in the absence of special circumstances:-

- The Invitation to Tender (ITT) will always be available under the Act to those who enquire.

- Responses to tenders (apart from price information and commercially sensitive information – see below) will be held in confidence at least until award of the contract.

- Broad cost information will generally be available after award of contract under the Act to those who enquire.

- Information obtained from suppliers in responses to tenders and not generally available (future product information, research plans, financial details) will be held in confidence until no longer sensitive.

- Detailed tender prices will be held in confidence until no longer sensitive (see below).

2.2 Tenderers must therefore inform the Council, on the enclosed Schedule of Reserved Information, of such other information which it regards as being eligible for exemption from disclosure by the Council under the Act. The reasons for all such exemptions must be fully justified against the relevant section of the Act.
3. **Reserved Information**

3.1 The Act specifies a number of different grounds for exemption. Most of these are not considered to be relevant to a tendering process or subsequent award of contract. Those which are most likely to be relevant are:-

- The information constitutes a trade secret (section 43(1))
- Disclosure would prejudice the commercial interest of any person (including the Council) (section 43(2))
- Disclosure would constitute an actionable breach of confidence (section 41(1))
- Personal data or information relating to the private life of any individual which is appropriate for protection (section 40)

3.2 If the Council agrees that information nominated by the successful tenderer may be legitimately classified as “reserved”, the Schedule of Reserved Information will form an integral part of the contract. The Schedule will list the class or category of information or the information itself and specify which exemptions under the Act apply to each specified class, category or specific information. The schedule shall indicate when it is likely that the information can be made available under the Act or if the information is unlikely ever to be made so available. Where such information is exempt under the rules governing commercial matters, (section 43(2)), then unless special circumstances apply, it will not be withheld under the Act for more than three years after completion/expiry of the contract.

3.3 Information relating to the overall value, performance or completion of the contract, contract records and administration will not generally be accepted as reserved information. The Council may however withhold access to such information under the Act in appropriate cases. The decision whether to withhold information shall be for the Council alone to determine. It shall have no obligation to consult the contractor.

3.4 The Council will automatically make information available under the Act from 3 years after completion/expiry of the contract, in the absence of specific agreement to the contrary. In the event that the Council receives a request for such information before the expiry of the 3 year period which it considers it may be appropriate to provide it will, wherever possible, notify the tenderer and take into consideration any representations made by the tenderer within 7 days of receipt of the notice by the tenderer.

4. **Handling requests for information and notice to those affected**

4.1 Other than as set out above the Council shall have no obligation to consult the contractor where any request for information, whether under the Act or otherwise, touches or concerns the contract.

5. **Information about the provision of the service which is the subject of the contract which arises in the course of performance of the contract**
5.1 The Council will have obligations to respond to the Act and other requests for information and the contract will include appropriate terms requiring the contractor to supply such information as requested by the Council.

Any enquiries about this policy and its application should be addressed to the Borough Solicitor, Bracknell Forest Borough Council, Easthampstead House, Town Square, Bracknell, Berks, RG12 1AQ

SCHEDULE 8 – Form of Tender

I/We, the undersigned, having examined the Conditions of Contract, Specification and all other Invitation to Tender documents, hereby offer to supply the goods/undertake the services required, in accordance with the Invitation to Tender documents for prices detailed in the Pricing Schedule.

I/We understand that the Council is not bound to accept the lowest or any tender received.

This tender remains open for acceptance for 120 days from the date fixed for the submission of tenders in the Invitation to Tender.

I/We agree that the essence of selective tendering is that the Council shall receive bona fide competitive tenders from all suppliers submitting tenders. In recognition of this principle, I/we warrant that this is a bona fide tender, intended to be competitive, and that I/we have not fixed or adjusted the price submitted by, or under or in accordance with any agreement or arrangement with any other supplier. I/We furthermore warrant that no approaches have been made to any other suppliers for the purpose of obtaining or influencing their tender prices or any other details of their bid. I/We also warrant that I/we have not and will not before the award of any contract for the work:

(i)(a) communicate to any person other than the Council the amount or approximate amount of the tender or proposed tender, except where the disclosure, in confidence, of the approximate amount of the tender was necessary to obtain insurance premium quotations required for the preparation of the tender;

(b) enter into any agreement or arrangement with any person that they shall refrain from submitting a tender, or that they shall withdraw any tender once offered or vary the amount of any tender to be submitted;

(ii) pay, give or offer to pay or give any sum of money or other valuable consideration directly or indirectly to any person for doing or having done or causing or having caused to be done in relation to any other tender or proposed tender for the work, any act or thing of the sort described at (i)(a) or (b) above.

I/We understand that should we directly or indirectly canvass any member or official of the Council concerning the award of the contract for the provision of the Services, or directly or indirectly obtain or attempt to obtain information from any such member or official concerning any other tender for Goods/Services, I/We will be disqualified. I/We further understand that if discovery occurs after the award of the contract, the Council shall then be entitled to summarily terminate the contract.
